- re L. W. Peart-Deceased-

Dear Sir:

Mrs. Jane Peart, now of Regina made application to the Department of Militia and Defence for South African Volunteer Scrip Land Certificate as the representative of her son L.W. Peart, who served in South Africa.

We understand that the necessary warrant has issued from the Department of Militia and Defence but that issue of the certificate has been held up in your Department awaiting Letters of Administration. Mrs Peart was, we are advised, appointed Administratrix in Ontario. We now will forward to your department either the original letters or administration or certified copy of the same. We think that this should be sufficient to enable you to issue the certificate. If it should not be sufficient we would ask you to wire us at our expense, and we will have Letters of Administration taken out here. The file number of the department of Militia and Defence is "S.... 510-8-1-

17th June, 1909,

Sir,

I am directed to return, herewith, the document executed upon the 12th April, 1907, by John George Peart and others in favour of Mrs. Jane Peart as it is not sufficient to establish her claim to be "the legal representative of E. J. Peart, deceased," named in S.A.V.Warrant, No. 5107. The documentary evidence which is required here is that which is specified in my letter to Mrs. Peart of the 3rd March last, namely :letters probate of his last will and testament if the deceased left one and letters of administration, if he died intestate, or if the original letters probate orletters of administration, as the case may be, cannot be filed here a copy thereof, certified as specified, in my letter of the 3rd March last. As it appears that the deceased left no will letters of administration or a copy thereof is what is required.

By letter, dated the 10th ultimo, Messrs. Haultain & Cross, Barristers, Regina, advised this Department that Mrs. Peart was then in Regina, that it was understood that action upon the above mentioned warrant was delayed here for the want of

Dear Sir

Will you send the following application to the proper quarter at your earliest convenience.
I am at present obtaining title to two pieces of land, the N.W. ¼ 24 44 11 W of the 4th which I am homesteading have already put in two terms of residence and am commencing the third term from 16th inst, and the W ½ of 10 44 8 10 the 4th which I bought with a S.A. Scrip and on which I have put one term of residence - broken 10 acres
I had intended going out from my homestead this spring to put in a second term having been absent from it 6 months
several things make it however very inconvenient for me to do so
Firstly I have 35 acres of crop here, which it is very necessary for me to take the best of care of and which I am afraid to leave on account of the danger of cattle breaking through my fences & destroying the crop.
Secondly owing to my financial position I am hardly in a position to move this spring I have only a small shack there and being married and with two children I should have to put on addition to my house. I also would have to build a stable, and have a well sunk which is some financial before I could move on. I have given to the condition of my

Nothing could have pleased me better than to have been able to go on my land sooner, but lack of means has held me back & for the last year may I have been steady with this firm, Low & Lane running Crown Surveys, & outside work & along with this money I have earned in survey work & money I have had coming on I can assure you that with just one more chance I can make a good start on my land.

My whole ambition has been set on this land to make a home out of, & how that I have been successful in securing the amount to make a good start I hope in that you will give me another chance.

In the Matter of the N ½ of Section 33

I, Henry A. Kenny

of Toronto Province of Ontario

do solemnly declare :—

That I made entry for the above-mentioned land as a South African (Military) land grant

at the Dominion Lands Office at Calgary Alberta on

the 16th day of October, 1911, and I now ask to have said entry cancelled for the following reasons, namely :—

(Here state reasons) On leaving for the west in October 1911 my intentions were to go into the Peace River district, at Edmonton I was told the reason was late to travel that district, I would find it more suited until the following of spring to have gone in there but believing the time was for locating South African scrip to expire at the end of the year I had to locate this land that I was within about.

(Here state nature and extent of improvements and where performed) The soil is a little to light in the country to open to suit me no residences [illegible] were [illegible].

(Here describe the improvements and state value thereof and date when and by whom erected, and also value of improvements each year) no improvements

(Here state if intending to apply to commute homestead entry for other land.) Intentions are to locate in peace River district as soon as spring opens.

That I have not received, directly or indirectly, nor have I been promised, nor do I expect to receive any consideration of any kind for allowing said entry to be cancelled.

And I make this solemn declaration conscientiously believing it to be true, and knowing that it is of the same force and effect as if made under oath and by virtue of the Canada Evidence Act.

Sir,

I am directed to inform you, in reply to your letter of the 4th instant, that if you will refer to the letter which was addressed to you on the 22nd November last by the Controller of the Lands Patent Branch of this Department, you will see that in the Letters-Patent, which were issued in your favour on the 19th October last for the S.W.¼ and S.½ 25-69-11-4. 4th M., all that part of these two quarter sections which was "covered by waters of Upper Mann Lake at time of survey of said Lake" was reserved and was not granted to you.

As to your right to the low-water mark of the boundary of the Lake which fronts your land, depends altogether upon whether the Lake is navigable or non-navigable. If it is navigable, that portion of the land which lies between high-water mark and low-water mark belongs to the Crown and you have, in that case, only the right to fence to high-water mark, and it is also generally considered, although the law is not very clear upon the point, that the public, in such case, have a right to enter upon the strip of land which would lie between these two points, that is between high and low-water marks. As to the right of the public, generally, to trap muskrats on the waters of the Lake, that is a question with which this

Form No. 887 E

171400. DOMINION LANDS OFFICE

Posting of Soldier Settlement Land.

E.O. Ref.#2799054. Edmonton, Alta., Oct. 20th 191 9.

Notice is hereby given that after the expiration of 10 clear days from the date hereof, that is on and after the Oct. 31st 1919., the E.S. , ¼ of Section 12

Township 68 Range 13 West of the 4th Meridian.

will be available for entry, providing the land is of the class suitable for farming and is unoccupied, as follows:—

ON THE DAY LAST ABOVE MENTIONED the privilege of entry (either as an ordinary homestead or as a soldier grant) is restricted to a "settler," as defined by the Soldier Settlement Act, eligible to make entry who holds an adjoining quarter section under homestead or soldier entry, or who obtained homestead patent for such quarter section and is still the owner thereof, or who was a squatter before survey on such quarter section. The regulations relating to conflicting claims by adjoining settlers will be found in full on the back of this notice.

ON THE SUCCEEDING DAY (namely the 1st day of Nov.1919.) and thereafter (unless entered for or reserved for an adjoining "settler") the land will be available—

(a) for entry as an ordinary homestead by any person eligible to make homestead entry who is on active service in the Naval or Military Forces of His Majesty, or who has been honourably discharged therefrom. Men belonging to, or discharged from, the Allied Forces cannot homestead on the land reserved for soldiers unless they were British Subjects, resident in Canada before the war and have not exhausted their homestead right.

(b) for entry as an ordinary homestead by a "Settler" as defined below, provided he is eligible to make homestead entry.

(c) for entry as a soldier grant by a "Settler" as defined below.

"Settler" means:—

(a) Any person who has served in the naval or military expeditionary forces of Canada during the present war and who has left the forces with an honourable record or who has been honourably discharged.

(b) Any person who has been engaged in active service during the present war in the naval or military forces of the United Kingdom or of any of the self-governing British Dominions or Colonies and who has left the forces with an honourable record or who has been honourably discharged.

(c) Any person who being a British subject resident in Canada before the war has been engaged in active service on one of the state of war in either the naval or military forces of any of His Majesty's allies in the present war, and who has left the forces with an honourable record or who has been honourably discharged.

(d) The widow of any such person described in items (a), (b) or (c) above who died on active service.

The members of the expeditionary forces specified in the Soldier Settlement Act, 1919, eligible to benefit thereunder are those members who have been discharged or left the forces after having served in an actual theatre of war or outside the country in which they enlisted or in the case of the Canadian Expeditionary Forces, after having served in Canada only and having received injury or disability due to service for which pension has been granted, or the widows of such members who died on such service; provided that no member shall be entitled to the benefits of the Act if the discharge, certificate or certificate of service issued by the Department of Militia and Defence or other military authorities as the case may be, shows dishonourable conduct or record. (Order in Council, January, 1919.)

Applicants for soldier grant entry must produce, when applying for entry, certificate of attestation or telegram or special letter from the Soldier Settlement Board.

Applicants for homestead entry must produce evidence of honourable discharge; or if still on military service, must furnish particulars of enlistment.

Any person who is desirous of making entry must visit the land personally before making his application, and satisfy himself that there is no one in residence, as he will require to swear when making application for entry that the land is unoccupied. The intending applicant should, at the same time, carefully examine and estimate the value of the improvements, if any.

The application for entry (unless made by proxy), may be made either at this office or at the office of the Sub-agent of Dominion Lands in whose district the land is situated.

Proxy entry must be made at the office of the local Agent, not Sub-Agent. For proxy regulations see Dominion Lands Hand-Book.

No fee is charged in connection with a soldier grant.

The entry fee if taken as a homestead will be $10. According to evidence on file in this office there are improvements upon the land stated to be worth $ ———

PAYMENT FOR IMPROVEMENTS.

Before a person is granted entry or reservation, he shall declare what improvements, if any, there are upon the land for which he applies, and pay to the Agent or Sub-Agent the full amount of his valuation of such improvements. Should he fail to make such declaration his entry or reservation shall be liable to cancellation.

In the event of uncertainty as to the correctness of the entrant's valuation, or if the value of the improvements is placed at over $25, the Agent shall cause such improvements to be examined and valued by a Homestead Inspector. If a surplus has been paid, the excess amount may be refunded. If insufficient has been paid the entrant must at once pay the difference, otherwise his entry may be cancelled.

PAYMENT OF INDEBTEDNESS CHARGED AGAINST THE LAND.

The following indebtedness is charged against this land $ ———. If the amount collected for improvements is not sufficient to make up this indebtedness, the applicant for entry is required to pay the full amounts so as to make up the full amount of indebtedness.

Sir,

Re. SE¼-19-68-13-W.4th-Mer.

Replying to your letter of the 2nd ultimo, your reference 176765, respecting the above described quarter-section, I beg to say that according to the records here this quarter-section was noted as reserved for Bird Sanctuary purposes, and in a list checked by your office on the 26th of November last, it was O.K'd as under such reservation. Therefore, when the land was released by the Parks Branch as no longer required for their purposes, we advised you to this effect on the 21st of May last.

The Parks Branch also report that the SE¼-19-68-13-W.4th-Mer., is not required by them, and this, of course, releases the whole of the E½ of 19 in the Township mentioned, as a Bird Sanctuary.

I beg to call your attention to the fact that this entry is now subject to cancellation proceedings for failure to make application for patent. In view of the general winter protection please note this case for the 1st March next and then take ordinary cancellation proceedings on Form 234 on the ground of failure to apply for patent. On the expiry of 60 days from the date of your notice, if the entrant has not been heard from, an Inspector's report should be ordered.

The Inspector should give full information as to the nature of the land, using the blanks provided in the form of report for that purpose. The fullest possible information should be given in regard to duties and improvements. In case of a pre-emption it will be necessary to report on the appurtenant homestead as well.

Sir:

Trnc. W.M. 1- 12- 6S- 11- W. 4th M.,

I beg to acknowledge the receipt of your statement of the 21st inst., filed in defence of the cancellation proceedings instituted against your homestead entry for the above described quarter section.

In reply I may say that according to the evidence submitted your entry is seriously in default as regards both residence and cultivation and the Department would be justified in carrying out cancellation.

However, it has been decided to allow you a final period of sixty days from this date within which to furnish the agent of Dominion Lands at [illegible], with satisfactory evidence in the form of a statutory declaration that you are in residence on your land with the intention of remaining there and completing the required settlement duties. Should you fail to do so within the time allowed the aforesaid official will cancel your entry and dispose of the land in accordance with the regulations.

With respect to your desire to be permitted to substitute stock in lieu of cultivation I may state that when you furnish the agent with evidence that you have come into actual bona fide residence on your land, he will detail a Homestead Inspector to visit the quarter section and report as to the character thereof and whether you should be allowed the privilege of substituting stock.

Frac. N. E. 18--68--13 W. 4th M.
Homestead - [illegible] Peland.
Entry granted - 17th December, 1911.
-- ---------- -------

Cancellation proceedings were instituted on the 1st March, 1917, for failure to apply for patent within five years from the date of entry. The settlement filed a defence claiming residence in 1916 from June to October; no improvements on the land. In reply to question 17 he stated that he had been laid up with rheumatism for three years and unable to do anything, but now he is feeling better and is getting ready to build a house and do some cultivation on his homestead. He further requested that he be allowed to retain his entry in lieu of cultivation.

On the 22nd April he was allowed a final period of sixty days within which to furnish the usual evidence showing that he was in residence on the land with the intention of remaining there and completing the required settlement duties.

He has last filed the following Statutory Declaration --

"In the Matter of the Fractional North East Quarter of Section 18, Township 68, Range 13, West of the Fourth Meridian...

"I, ALEX [illegible], of the Post Office of Lac la [illegible] in the Province of Alberta, Farmer, do solemnly and sincerely declare as follows:-

1. I am the homesteader of the above described land, which land I took out about the year 1911.

2. In March, 1911, I began to reside on the said land intermittently, until about the first March last, since which date I have continuously resided there.

3. I have on the ground fifty logs suitable for building a dwelling house, which I have purchased, and I intend to build a barn and other outbuildings as may be necessary, as soon as the dwelling is completed.

June 1911 has issued in your name, and that

it has been forwarded to the Registrar of the Land Registration

who will issue the certificate of title upon receipt of your application to him therefor, and upon payment of the proper fees, if any.

For this purpose please place yourself in communication with that official, giving him your full name and your Post Office address. His address is:—

THE REGISTRAR,
CALGARY, Alta.

I am, Sir,

Your obedient servant,

PERLEY G. KEYES,
Secretary.

To [illegible] Esq.
[illegible]
[illegible]

regard to this phase of the matter:-

> "I am strongly of the opinion that the Department would not care to assume responsibility for the actions of Sub-agents of Dominion Lands, and not adhear to insisting that applications have no effect until they reach a Land Agency. Of course this is sometimes unfortunate for people who apply before irresponsible Sub-agents, of which I am pleased to say there are very, very few, but the public is well aware that Sub-agencies are simply offices of convenience."

In view of all the circumstances of the case, it would seem that Mr. Lewis' pre-emption entry might now be cancelled, notwithstanding the winter protection, and that Mr. Tennant be accorded the treatment usually granted an applicant to cancel.

Respectfully submitted,

settlement duties. A full statement of this case is submitted in Mr. Perrin's memo. of the 5th September, 1916. On this memo. you endorsed instructions that the case was to be placed in the hands of Inspector Martin for investigation.

In a report dated the 4th November last Mr. Martin set out that the Sub-agent frankly admitted that he had refused to accept an application to cancel from Mr. Arkinstall and that he had accepted an application to cancel from Mr. Tennant owing to the latter's insistance.

Mr. Martin's report concluded with the following paragraph:-

> "If Mr. Tennant's application for cancellation stated the entrant's duties were in default in any manner and the entry should be cancelled, I would recommend that he be given the usual 30 days in which to make entry, but if his application showed that the entrant was not in default in his duties, and the entry should be cancelled, I would, in this case, recommend that the land be made available for the public, which would give all parties desirous of securing the land an equal opportunity to apply."

Mr. Tennant's application has now been received and shows that he filed such application on the ground that there was no house on the land, no breaking, and that the fencing was in a dilapidated condition.

Under date the 12th July, 1916, Mr. Tennant also executed the following declaration:-

> "There has been no cultivation performed either on the above land or appurtenant homestead, the N.W.¼ of 32-10-13, W.4th M., since 1912, and in that year there were only 40 acs. under crop."

As before set out, we have no definite information on file as to the settlement duties performed by Mr. Lewis since making application for patent for his homestead, but, if as set out in Mr. Tennant's declaration, only 40 acres have been broken, then he was in default in regard to his cultivation duties when the application to cancel was filed.

If this was the case, it also must be assumed that the entry was in default when Mr. Arkinstall and others applied to cancel, therefore, it remains to be decided whether the Sub-agent's action should be held to deprive these persons of any right to the land that they might otherwise have secured. I quote Mr. Martin's report in

- regard -

A.S. £152088.
1671492.

3rd January, 1917.

Memorandum:-

N.E.¼ of 31--10--13, W. 4th M.,
Pre-emption of Milton Lewis,
Entry granted 8th September, 1908.

N.W.¼ of 32--10--13, W. 4th M.,
Homestead of Milton Lewis,
Entry granted 20th March, 1907,
Patent issued 19th July, 1910.

There are two questions to be decided in connection with this case, the first being whether or not Mr. Lewis' pre-emption entry is to be cancelled, and the other whether Mr. Tennant is to be allowed to retain his standing as applicant for inspection.

There is nothing to indicate what Mr. Lewis has done in the way of settlement duties in connection with his pre-emption, but the file shows that he applied for patent for this quarter-section on the 5th April, 1913, and that on the 9th of that month the Agent called upon him to furnish a statement showing the cultivation duties performed. The Agent also stated that it would appear from the application that he (Mr. Lewis) would require to cultivate 30 acres during the season of 1913. Apparently no proof was furnished that the cultivation duties were properly completed.

On the 4th July, 1916, Mr. Snowdon, the Sub-agent at Grassy Lake, accepted an application to cancel from Mr. Robert Tennant, and instituted proceedings thereon.

Under date the 15th July, 1916, Mr. Charles Arkinstall complained to the Department that, although the Sub-agent refused to accept an application to cancel from him, he had accepted a similar application from Mr. Tennant.

In his letter of the 19th July, 1916, the Agent at Lethbridge pointed out that this was not the first time that complaints had been lodged against the Sub-agent in question.

It appears that the Sub-agent refused to accept an application from Mr. Arkinstall on the ground that Mr. Lewis had completed the required

- settlement -

acres broken and had it in crop on his homestead every year from 1907 to 1913, but nothing has been done since that date.

In view of the report of the inspector, it appears that Mr. Lewis completed the required duties to entitle him to patent for the above land and apparently the only grounds on which the Department could take cancellation proceedings is for failure to complete a successful application for patent within the time allotted.

Memorandum:

Mr. Rowe.

N.E.¼ of 31-10-13-W. 4th Mer.
Pre-emption of Milton Lewis.
Entry granted - 8th September, 1908.
Application for patent made.
Not recommended.

For a full statement of this case, I would refer you to the memorandum of the 3rd January, 1917, marked.

According to the application for patent, duties have been completed as set forth on form 38, marked, but apparently very little has been paid on account of the purchase price.

In connection with this case, Homestead Inspector Ripley reported that from information obtained from the neighbours, Mr. Lewis resided continuously from 1907 to 1913. Improvements - House worth $100.00. The Inspector states he was informed that the homestead was all fenced at one time, but it has now been taken away.

The Inspector credits Mr. Lewis with 120 acres broken on the homestead, which is of no value as it has all gone back to weeds and grass.

In his general remarks, the Inspector states as follows:-

> "Your file 7/1908 and in reply to say I visited the N.E.¼ of 31-10-13 west of 4th Mer. and find the improvements on this homestead to be as set forth above and from information of his neighbours he resided on his homestead continuously from 1907 to February 1913, and I herewith submit a declaration from Chas. Arabstein, the nearest neighbour."

The report of the Inspector is accompanied by a declaration to the effect that Mr. Lewis had 120

acres.....

Mr. Martin's report concluded with the following paragraph:-

> "If Mr. Tennant's application for cancellation stated the entrant's duties were in default in any manner and the entry should be cancelled, I would recommend that he be given the usual 30 days in which to make entry, but, if his application showed that the entrant was not in default in his duties, and the entry should be cancelled, I would, in this case, recommend that the land be made available for the public, which would give all parties desirous of securing the land an equal opportunity to apply."

Mr. Tennant's application has now been received, and shows that he filed such application on the ground that there was no house on the land, no breaking, and that the fencing was in a dilapidated condition.

Under date the 12th July, 1916, Mr. Tennant also executed the following declaration:-

> "There has been no cultivation performed either on the above land or appurtenant homestead, the N.W.¼ of 32-10-13, W.4th M., since 1912, and in that year there were only 40 acs. under crop."

As before set out, the evidence in the application for patent and in the Homestead Inspector's report shows t at before leaving the country Mr. Lewis had fully complied with the requirements with respect to both residence and cultivation, and, this being the case, it would seem that an application to cancel should not have been accepted from either Mr. Tennant or Mr. Arkinstall.

Under the circumstances, I would suggest that the cancellation proceedings instituted on behalf of Mr. Tennant be abandoned and that the Department institute proceedings on its own behalf, and, on cancellation being carried out, have the land posted and dispos d of to the first eligible applicant.

This is in accordance with the suggestion of the Agent set out in his letter of the 19th July, 1916.

Respectfully submitted,

Judging from the information now on file, it would appear that before leaving this country Mr. Lewis fully completed his settlement duties, both in regard to residence and cultivation.

A statement received from the Patent Branch shows that only one instalment and a portion of the second instalment has been paid on account of the purchase price. See attachment marked.

The application for patent for the pre-emption is not completed, as Mr. Lewis failed to furnish proof that he owned his patented homestead when the said application was made.

Judging from the length of time that has elapsed since Mr. Lewis was last heard from, (about three years), it would seem that he has no intention of completing the payments for this quarter-section.

The Department could, therefore, if it saw fit, institute cancellation proceedings owing to the failure of the entrant to complete the application for patent and owing to his failure to pay for the land.

In this connection I may point out that cancellation proceedings were instituted against this pre-emption on the 14th July, 1916, on behalf of Robert Tennant.

Under date the 15th July, 1916, Mr. Charles Arkinstall complained to the Department that, although the Sub-agent had refused to accept an application to cancel from him, he (the Sub-agent) had accepted a similar application from Mr. Tennant.

In his letter of the 19th July, 1916, the Agent at Lethbridge pointed out that this was not the first time that complaints had been lodged against the Sub-agent in question.

It appears that the Sub-agent refused to accept an application from Mr. Arkinstall on the ground that Mr. Lewis had completed the required settlement duties. A full statement of this case is submitted in Mr. Perrin's memo. of the 5th September, 1916. On this memo. you endorsed instructions that the case was to be placed in the hands of Inspector Martin for investigation.

In a report dated the 4th November last Mr. Martin set out that the Sub-agent frankly admitted that he had refused to accept an application to cancel from Mr. Arkinstall and that he had accepted an application to cancel from Mr. Tennant owing to the latter's insistance.

Memorandum:-

N.E.¼ of 31--10--13, W. 4th M.,
Pre-emption of Milton Lewis.
Entry granted 8th Sept., 1908.

N.W.¼ of 32--10--13, W. 4th M.,
Homestead of Milton Lewis.
Patent issued in favour of
Milton Lewis on the 19th July, 1910.

Mr. Lewis applied for patent for his homestead on the 30th May, 1910. He claimed continuous residence for three years, dating from the 28th April, 1907.

He also claimed the performance of the following cultivation duties:-

1907 - 10 acs. broken,
1908 - 10 " " , 20 acs. cropped
1909 - 15 " " , 35 " "
1910 5 " " .

Mr. Lewis applied for patent for his pre-emption on the 5th April, 1913. He claimed that he had been in continuous residence from the 1st June, 1910, to time of making application. This means that he was in continuous residence upon the homestead from the 28th April, 1907, to the 5th April, 1913, which shows that he completed the required six months residence in each of six years.

In the application for patent for the pre-emption he claimed the following additional cultivation duties:-

1911 - 25 acs. broken, 40 acs. cropped,
1912 - 85 " " , 40 " " .

In addition to the residence and cultivation above set out, Mr. Lewis claimed to own a number of stock and had also substantial buildings and other improvements. See Form 58.

A report recently received from Homestead Inspector Ripley confirms the statements set out in the application for patent. Mr. Lewis, however, apparently left his homestead immediately after making application for patent for the pre-emption and has not been heard from since.

Commissioner of Dominion Lands,

Re: Account of James W. Fuller,
N. 1/2 & S. 1/2 7-10-7-W.4.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain and fodder amounting to $[illegible]73.15 were advanced to James W. Fuller on the security of the N. 1/2 7-10-7-W.4th and also became a charge against the S. 1/2 7-10-7-W.4th. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$ 273.15	$ 503.82	$ 776.97

Patent was issued in the name of James W. Fuller for the N. 1/2 7-10-7-W.4th on the 30th of September, 1913, and for the S. 1/2 7-10-7-W.4th on the 17th of April, 1914, and later became subject to the 1915 liens.

In 1929 the land became subject to forfeiture proceedings for non payment of arrears of taxes and title reverted to Crown in the right of the Province.

The S. 1/2 7-10-7-W.4th has since been turned over to the Municipal District of Eureka No. 14. It is presently leased for grazing purposes to the Pincastle Grazing Association and is no longer assessed and is exempt from taxation.

In reply to our questionnaire of the 30th of June, 1952, concerning the N. 1/2 7-10-7-W.4th, V.A. Wood, Director of Lands, Department of Lands and Forests, Province of Alberta, wrote as follows:-

"I have for acknowledgment your letter of the 30th ultimo referring to the above land. This land is outside the settlement area and has been transferred as tax recovery land to the Department of Municipal Affairs, Province of Alberta.

It is unlikely that this land will again be used for farming purposes."

The information obtained indicates that the land is unsuitable for farming purposes and no longer offers any security for our liens. Under the circumstances it is recommended that the indebtedness be cancelled and the liens discharged.

C.W. Gilchrist.

To The Honorable,

The Minister of Interior.

Sir,-

N 15 31

There is on the N.W.¼ of 24-10-28-W.4th.M. 80 acres of water-rite and 80 acres of homestead land. The water-rite has been offered for sale at $3.00 per acre but is not much good and as a result has never been purchased. The 80 acres of homestead land is little better and will never be taken up as such as it is poor land and is only fit for grazing, and it is with this clearly in mind that I wish to approach you on the matter and offer for this ½ section of 24-10-28 the price put upon the the water-rite part of $3.00 per acre for the whole ½.

The grounds for basing my claim to your consideration on this matter is the fact that I have some stock to provide for and this land being near my own would suit me nicely on the 8 or 10 year payment plan.

Any information as to regards to my influence and work for the party I would refer you to John Herron, Esq., Ex M.P. for our riding.

Trusting for your consideration on this matter,

I beg to Remain,

J.B.Allison,
Granum,

Will you kindly advise me as to the standing in your records of the N.E.¼ of 24--10--28 West 4th. I understand that this is a stock watering reserve. Please let me know if it was put up for sale at public auction, and, if so, with what result.

Commissioner.

JMC.

Ottawa, November 10th, 1911.

My dear Sir,

I am in receipt of your letter of the 27th ultimo in regard to the North East ¼ of section 24, tp. 10, rge 28 West of the 4th Meridian.

This quarter section stands as a stock watering reserve, which reservation was made by Order-in-Council dated January 23rd, 1896. If upon investigation it is found that this land is no longer required for the above purpose it will be withdrawn from reservation and disposed of by public auction in accordance with the Regulations. An official of the Department has been asked to report and you will be further advised when report is received.

Yours sincerely,

J. B. Allison, Esq.,
Granum, Alberta.

Granum, Alberta,

Nov/21/11.

Dear Sir:

2554054

Your reply to my letter of the 27th ultimo received, and would seek your indulgance re the N.E.¼ 24-10-28-W.4th-M again.

There has only been 80 acres of this quarter for stock watering purposes the other 80 was homestead. Now so far as the watering reserve is concerned it has long ago outlived its usefulness as such because all the land in that district is taken up and fenced in with the exception of the west half of 25 and Daly Creek runs through this. So you see that this is no longer neccessary for stock reservation.

Now under the circumstances I think that you could justly turn this over to me at the rate of purchased homestead or as the watered part was valued at $3.00 per acre. It is the first time I have ever looked for a consideration, and I do not mean to keep it up, and as I am in need of this to carry on my stock raising I would consider this a great favour to have you grant this concession in my favour.

Should this be auctioned it would be almost impossiable for me to get it, at least near its value.

As already Mr. John Herron Ex.M.P. can advise you of the money and time I have spent in the Conservative cause.

To-The Honorable, R.Rogers.

Sir,

Referring to your letter of the 27th November last, File No.80-15, I am directed to say that the North East quarter of Section 24, Township 10, Range 28, West of the 4th Meridian, has been withdrawn from the stock-watering reserve, and placed on the list of stock-watering reserves to be offered for sale at public auction. Will you please ascertain from Mr.Robertson whether or not this quarter-section is of such a character as to admit of the ordinary homestead duties being performed. It is thought probable that he will be able to furnish this information without making a re-inspection.

The only rights under the certificate that the substitute John B. There is at present, however, no fund out of which the $500.00 may be paid to the grantee or substitute, but it is proposed to obtain at the next Session of Parliament the necessary appropriation for that purpose.

Dear Sir:

During the sale of S.A[illegible] script John B.Neuts a young Hollander in this district was a purchaser o. a script and not understanding the language or coustoms very well had the transfer made out in his own name while it was for a cousin he had purchased it for. Now he is advised that the government is paying $500. for all script returned and on his behalf I would like to learn what course to take in the matter,re the selling of the script to the government.

Re my communications on the N.E.¼ section 24-10-28-W4thM. if it would be possiable I would purchase this script and place it on the above lands. Suerly it is up to the Department to help those that that are carrying the burden of the fight during the campaigns to some little extent. I only ask what is reasonable and what I am willing to pay for and surely this demand is not so great.

Sir,

I beg to inform you that the north east quarter of section 24, township 10, range 20, west of the 4th meridian, is a cancelled stock-watering reserve. A report was received some years ago from the Ranche Inspector to the effect that this land was no longer required for stock-watering purposes, and the reserve was cancelled. He also reported the land as fit for agricultural purposes.

The first time that you are in the vicinity of this land, will you kindly make an examination thereof and report if, in your opinion, it is fit for agricultural purposes, and if the reservation of the land is necessary in order to supply the settlers in the vicinity with water for their stock or for domestic purposes.

Arthur H. MacGregor, Esq.,
The Foreign Service,

Ottawa, Ontario.

Dear Sir:

- I have your letter of the 11th December, relative to your enquiry as to a homestead entry and naturalization of Fred Everett Nichols, Cereal, Alberta.

Our records indicate that one Freddie Everett Nichols in his sworn statement dated the 10th May, 1916, in support of his application for Patent for the N.W.¼ of Section 27, Township 27, Range 6 West of the 4th Meridian, Cereal, Alberta, which was issued in his name on the 14th August, 1916, he gave his age as 22 years. He was naturalized on the 20th August, 1913.

This man applied for homestead entry for the said land on the 9th June, 1911 and gave as his Country of Birth, United States of America, Sub-division or Country of Birth, Iowa, and last place of residence Lewiston, Idaho.

Yours very truly,

C.K. LeCapelain,
Chief, Lands Division.

As to S.W. ¼ of Section 4, Township 59, Range 4, West of the 5th, there has never been anyone who has made improvements on this land. I am prepared to prove it any time that you ask it. There are savages and half-breeds who have known this place for 55 years. This place is known by all the old settlers and it is very easy to prove that it is I who cut the road from the river. Besides there is a half-breed who was the guide, his name is Julien Jannion, Belvedere, Alberta. You can get information if you wish, and the work on this land has been done by some men who almost went on their knees to me to get work to be able to support their families.

The work has been done all in one piece on these lands in cultivating them and it is the survey lines which have separated it all and I think that is not my fault and the buildings are on the other side, the Township Line passes between my buildings and my work, the fence surrounds the whole and the hay and a drain is in the land in order to draw away the water. The great secret is the Scrip belonging to my wife Josephine Majeau, which Mr. Harrison the chief of the Land Office at Edmonton has taken away from me, promising me this land at $1.00 per acre, when it would be surveyed in 1900. I have been cheated enough, I wish to have justice.

I wish to locate my Scrip which has been recorded at Ottawa the end of May or the beginning of June, 1910 on the South of Section 4, Township 59, Range 4, West of the 5th Meridian and my homestead on the N.E. ¼ of 33 - 58 - 4 - W. 5.

Will you take the matter into consideration and grant me what I have asked you.

Yours truly,

(Sgd.) Telesphore Meunier,

Morinville, Alberta

L.e.r. Translation from the French.

Moose Jaw, Alberta, June 13th, 1910.

The Secretary,

I am writing you again regarding my land. I see that I have been cheated in this affair.

1st. I saw a report from the Edmonton Land Office saying that I had abandoned the N.E. ¼ of Section 33, Township 58, Range 4 West of the 5th. That is a false report and a big one for it is there that my buildings are and a good large well which gives me water for my 15 cattle and first class water for use in the house. I need that quarter or at least 20 acres where my buildings and garden are.

2nd. Regarding the S.W. ¼ of Section 4, Township 59, Range 4, West of the 5th Meridian, I have a letter from Edmonton, March 15th, 1910, which says that my homestead was cancelled at Ottawa and that I was allowed 30 days to exercise my rights. I would like to know how that can be done as I have almost 90 acres of land which I have harvested for a long time as you can see by the report of Mr. McDiarmid, the Homestead Inspector at that time. And as for the great part for hay, it is I who put it under cultivation and you have cancelled this homestead because it had too much hay. And about the 17th of last month this homestead was given to another as a homestead and his name is "W. Short" and I have a good deal of improvements on this land and I cannot have it. I would like very much that you understand all that and give me the reasons. I would ask you this for my homestead, the N.E. ¼ of Section 33, Township 58, Range 4, West 5th, it is there that all my old improvements are and to place my South African Scrip on the South ½ of Section 4, Township 59, Range 4, West of the 5th. I think I am asking you only for what belongs to me.

Mr. Mounier has in the meantime taken [illegible] South East quarter of Section 4 as a homestead and his present request is that he should be permitted to transfer this homestead entry to the quarter section immediately to the South namely: The North East of Section 33, Township 56, Range 4, West of the 4th Meridian. This would leave the South East and South West quarters of Section 4 vacant and he wants to be allowed to locate South African Bounty Warrant on this ½ section.

I see no objection to transferring the homestead entry as desired free of charge, but under these circumstances the ½ of Section 4 on being made available should be posted for 10 days.

In view of the fact that Mr. Mounier has considerable improvements on the South East quarter and has done some work on the South West quarter, do you consider that he may locate South African Scrip without posting this ½ section?

Respectfully submitted,

DO NOT WRITE ABOUT MORE THAN ONE SUBJECT IN THE SAME LETTER—WRITE LEGIBLY YOUR FULL NAME AND ADDRESS

Department of the Interior.
Canada.

Ottawa 13th October, 1910.

[illegible]

[illegible]:-

Quarter's [illegible] of Beloeil-Chore Mourier.

This case has been before you several times already. Mr. Mourier has been a squatter since 1900 and has had a considerable herd of stock in each year.

It was decided some time ago that Mr. Mourier might be permitted to make homestead entry for one quarter section and purchase another at $3.00 per acre. Mr. Mourier first entered for the South East of section 4, Township 59, Range 4, West of the 4th Meridian, but this entry was cancelled because it appeared that the land was valuable for hay.

A report has now been received from the Homestead Inspector showing clearly that the area of hay land was over estimated and that there is now about 30 acres only of hay land. It is further shown that this land was made available for hay through work done by Mr. Mourier himself.

I would therefore recommend, on the Inspector's report, that the quarter section in question be no longer reserved for hay.

Assistant Deputy Minister,

I beg to acknowledge receipt of your letter of the 3rd instant with reference to the claim which you hold against Mr. Landon Harrison for work done on the south west quarter of Section 33, Township 35, Range 10, west of the 4th Meridian. The only way whereby your claim can be met would be to secure from Mr. Harrison an order or an assignment in your favour of his indebtedness to you and have the same filed at this office. I am carrying out cancellation of his entry as he has failed to file a defence and the applicant for cancellation is being communicated with and given the usual thirty days to come forward and secure re-entry for the land. The value of any improvements thereon will be collected from the party securing re-entry in accordance with a Homestead Inspector's report and if you were to secure an order for the amount of your indebtedness I have no doubt that the Department would under the circumstances give some consideration to your request for a refund.

PRIORITY OF APPLICANTS FOR PRE-EMPTION.

(a) In deciding the question of priority of right between two applicants for the same pre-emption the one preceded by either class of homestead of the Dominion Lands Act must be preferred. That is to say, priority of date of application or of date of homestead entry gives priority of right to pre-emption. For the purpose of this regulation the date of homestead entry is deemed to be the date of homestead receipt. Homestead receipts are dated as the same day on the first entered at the agency has the priority.

(b) It is to be understood that priority of pre-emption right by reason of priority of homestead receipt does not apply to cancelled entry in good standing.

(c) For the purposes of this regulation a homestead entry which has stood for not more than six months without improvements is considered to be in good standing.

(d) A homestead entry which has stood for a period exceeding six months shall also be considered to be in good standing if the required improvements within six months before the date upon which the right to pre-emption vests, or otherwise complying with the provisions of the Act.

(e) An abandoned homestead is not to be considered as being in good standing for the purpose of establishing priority as against an intending applicant for pre-emption who is in good standing, unless the homesteader has received his homestead patent.

(f) In case the homestead entry of an applicant for a pre-emption entry is subject to an application for cancellation on account of non-performance of homestead duties, such homesteader shall be considered in good standing for the purpose of establishing priority of right to pre-emption until the decision of the Agent on the application for cancellation is rendered, and if such decision is favorable to the homesteader he may within thirty days from the date of such decision, exercise his right to pre-emption until the decision of Head Office is received and the patent of the homestead entry cancelled, but no pre-emption entry will be issued in the meantime.

(g) The question of the good standing of a homesteader applying for pre-emption entry is to be determined according to the circumstances of each case. The homestead entry of a settler before survey or by an applicant for homestead entry before he has purchased or by an applicant for pre-emption.

General Remarks Continued:-

Sir;

Referring to yournletter of Dec. 23rd, 1915, I beg to say that I had occassion to be in the vicinity of this land this month and went into the protest of entrant, he not being home, I did not see him to talk the matter over with him, but from what I could learn entrant is entitled to pay for all the improvements I placed on his land. As for the breaking there is so nearly 14 acres one could not call it less, and the stubble is worth $2.00 per acre at the very least, and as for ploughing it again it certainly would have to be turned over and harrowed befroe cropped, but I have seen lots of stubble cropped without being turned over. He claims there was no crop on it when he cancelled it. I agree with him as he cancelled it in May, 1915, when the breaking was all grown up with weeds, it would cost him at the time he cancelled it about $5.00 per acre to put it in shape for crop. As for paying the taxes on said lan land, I was informed that he did not have to pay any taxes, it does not look reasonable to me that he would have to pay back taxes, as he only filed Sept. 1915. I don't see anything else for it but that he be called to pay the improvements in full, otherwise be cancelled forthwith, and the land be posted according to the regulations.

As for Mr. Laing hauling off grain it was proved to my satisfaction, he did not, unless he hauled it off in the night. He started to haul some off, but Mr. Newell met him with a pitchfork and ended the matter.

entrant filed thereon, took away three wagon boxes full
of sheaves being the amount which I estimated to be the
crop from the acreage of the said land and which I value at $4.00
That I took this matter up with the homestead inspector
and I put in a claim for fourteen acres of crop. I
considered that by taking the above mentioned grain, I
had taken one acre of crop.
That the present entrant raised the said crop to be threshed on section 29, township 33, range 10, West 4th Mer. and
herewith is the certificate of the Thresher showing that
6.4 bushels of oats were threshed from the said crop.

And I make this solemn declaration conscientiously believing it to be true and knowing that it is of the same force and effect as if made under oath by virtue of "The Canada Evidence Act, 1893".

Dear Sir: On the 22nd day of Feb I cancelled the D. D. and N of sec 28 33-10-4 E and on September 7th 1915 I filed on it and paid $50.00 the improvements held against it.

Since then I received from the land Office in Lalor stating that there was an additional $7.00 held against the place that I must pay with interest within 30 days. Now when I filed on this place the improvements consisted of 18 acres broke, a shack 10x12, a well 27 feet deep, this was all that was on the place when I cancelled it.

But there is a man by the name of Thos. H. Laing living on the N½ of sec 33-33-10-W 4. sowed this 18 acres to oats which he had plowed the year before.

Now I went and told this man that he had better not sow this land as I had cancelled it. Now I would like to know when I paid all the improvements held when I filed

"Mr. Newell had moved crop off the above land and stacked it on his homestead before I arrived. I hope I have made this clear enough to you so that you can despose of it satisfactory."

The full amount of the Inspector's valuation of the improvements has not as yet been paid by Mr. Laing.

However, I am submitting this case in order to obtain a decision as to whether the monies when collected may be refunded, as considered advisable by the Inspector in his report as above set forth.

I beg to draw your attention to the case of Mr. Laing, who is desirous of obtaining a refund. As only $60.00 has been collected and the crop having been valued by the Inspector at $69.05, kindly state if the former amount may be refunded to Mr. Laing.

MEMORANDUM:

Mr. Hume,

SW¼ - 33 - 33 - 19 - W. 4th M,
Pre-emption of Mr. John T. Newell.
Entry granted 3rd September, 1913.

Mr. T. H. Laing is requesting a refund of the money paid by the present entrant for the crop which was on this quarter-section when the latter obtained entry therefor.

It would seem that Mr. Laing cropped about fifteen acres of this quarter-section for the former entrant, Mr. Rundgard, and later on he cut and prepared it for threshing.

Inspector Woodlock visited this land and reports as follows:-

"The improvements on the above land at the time entrant secured entry consisted of the following:-

Lumber House 10 x 12	$25.00
Dug Well 18' deep, 12' water, cribbed	$35.00
14 acres oats in shock ready for threshing	$82.55
14 acres stubble	$25.00
Total amount of improvements	$177.55

"The money should be divided as follows:-

Mrs. Mary Hope who had well dug and never got any pay for same, she filed 6th Sept. 1913 ----- $35.00

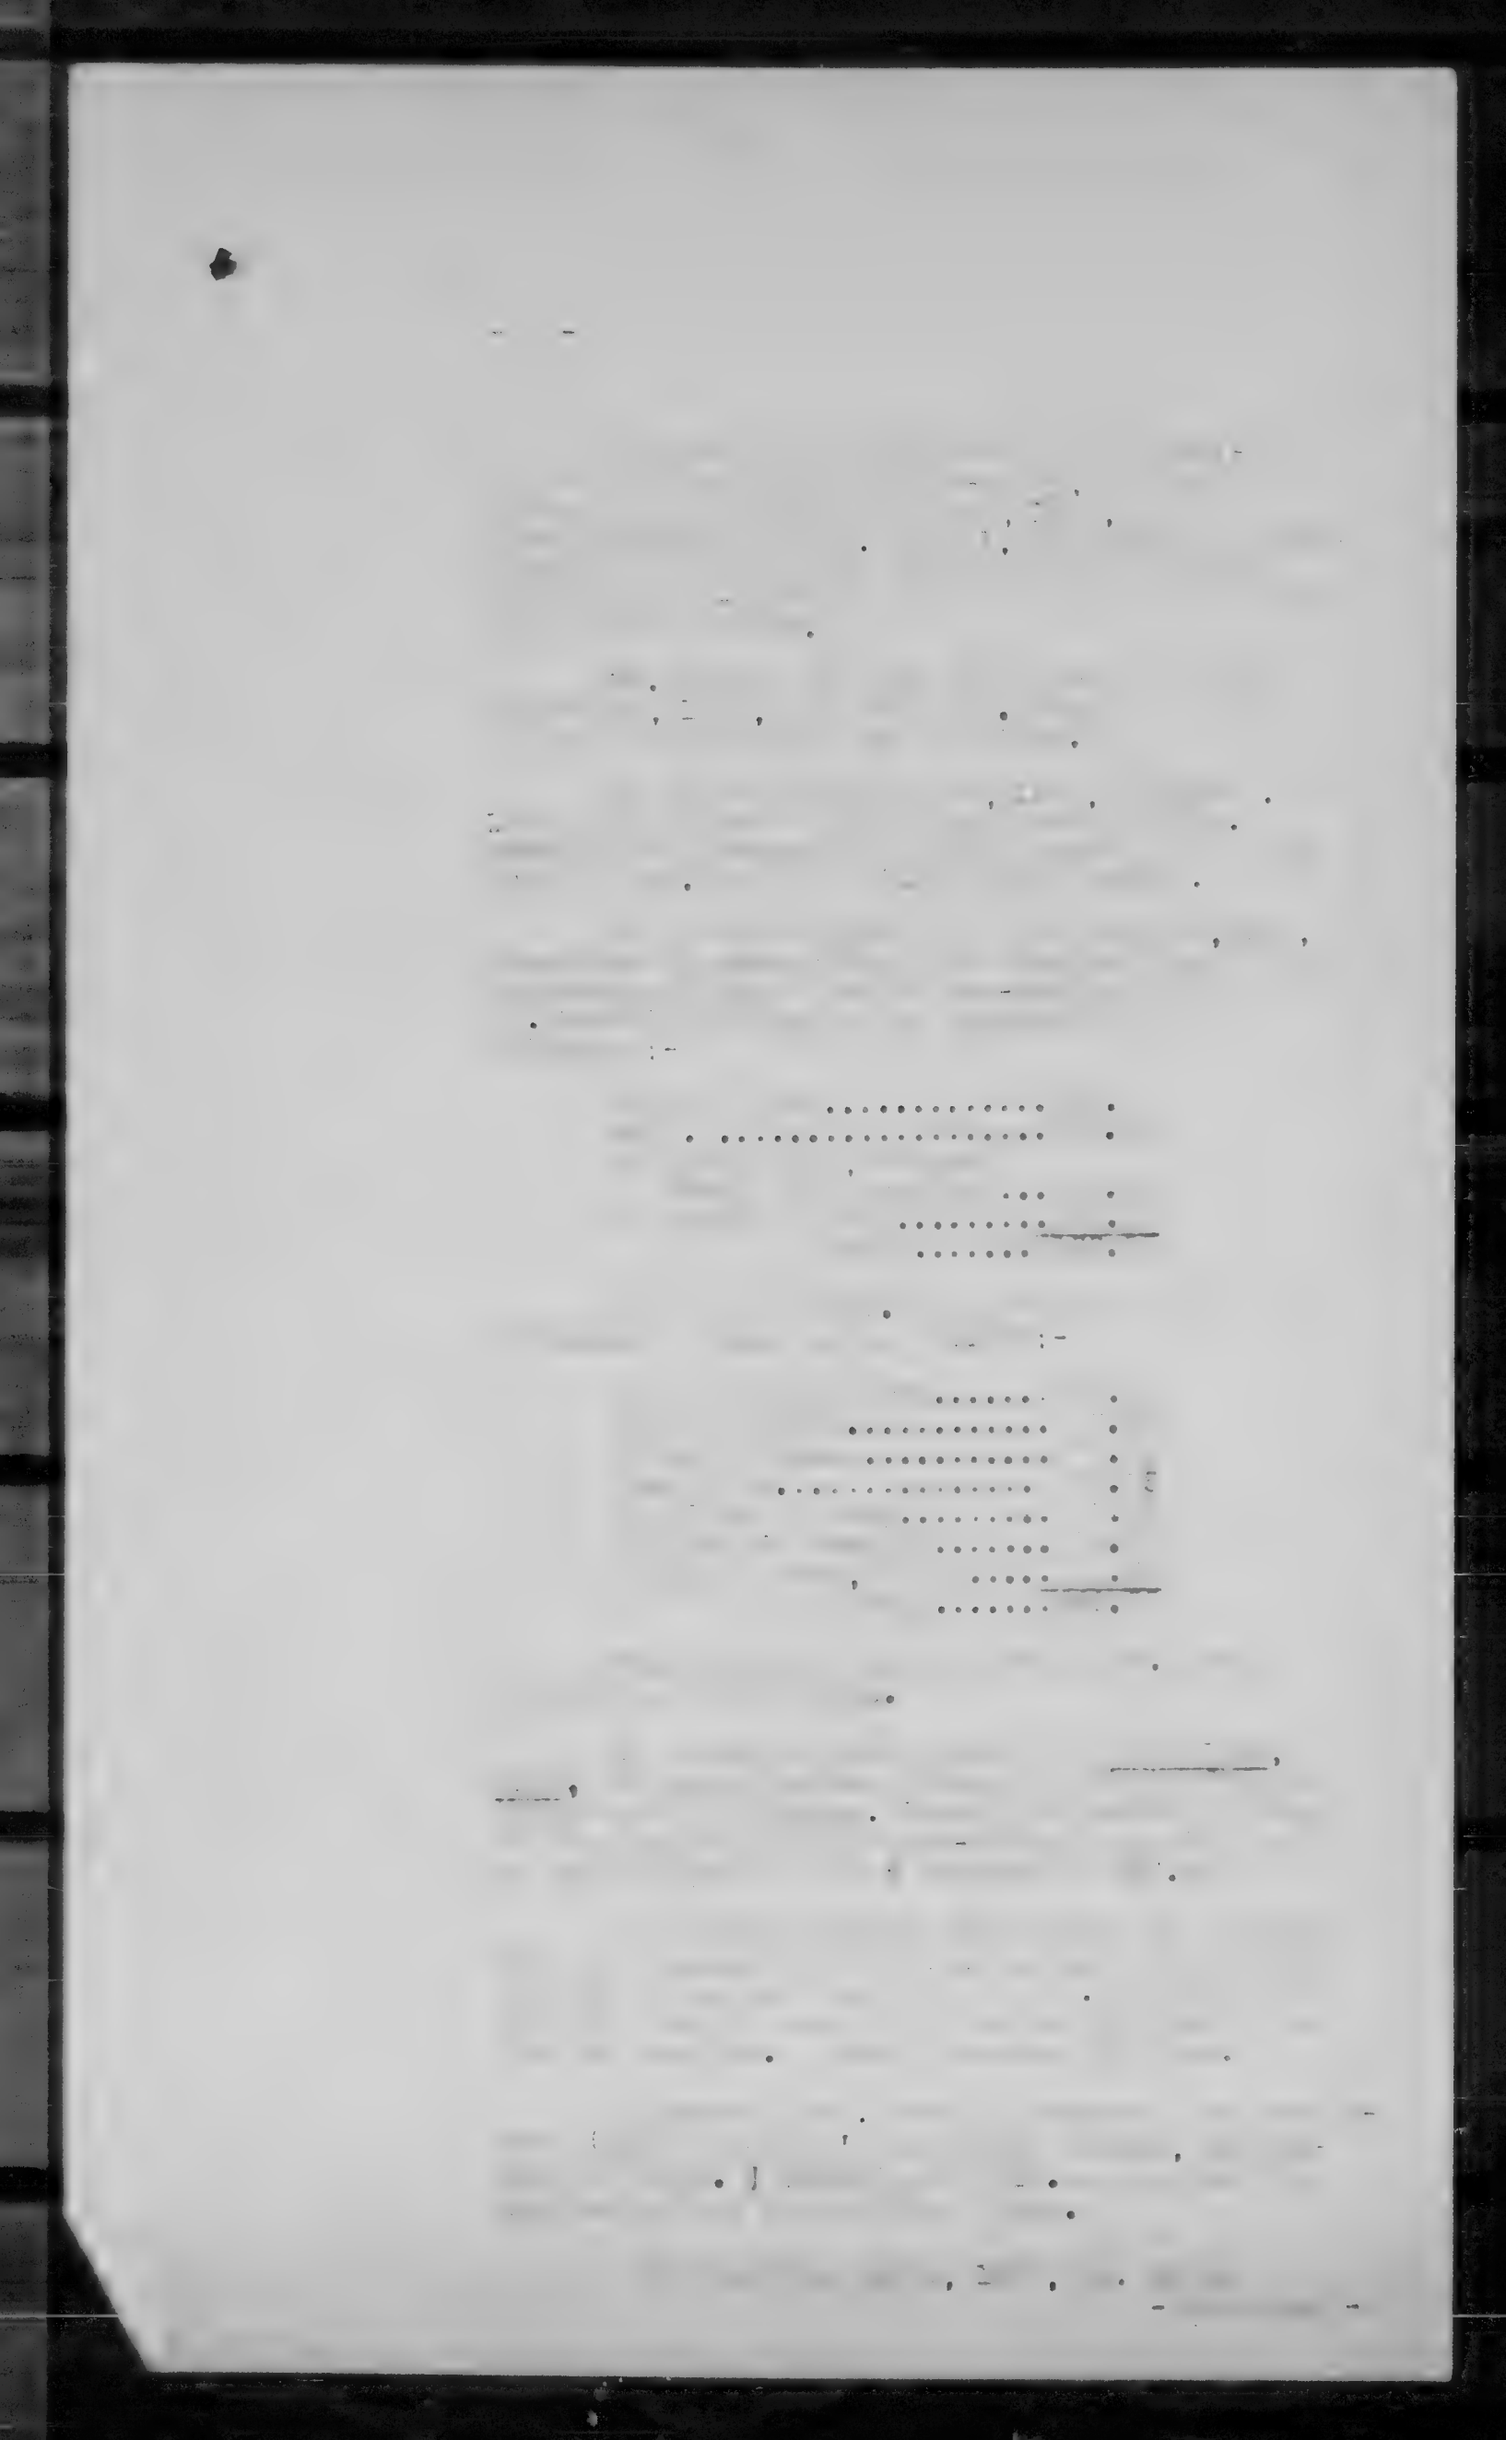

Mr. Rundgard, who filed Aug. 1914, is entitled to $25.00 for house, $25.00 for stubble ------- $50.00

Mr. Laing is entitled to pay for crop ---- $82.55

This is net expenses for putting in crop, itemized as follows:-

Ploughing 14 acres $28.00, double disked $7.00
twice harrowed $7.00; Seed oats $22.75
Drilling in crop $7.00, Cutting & stooking $14.00
30 lbs. twine @ 11¢ ----$3.30."

Mr.

a crop of flax was given [illegible] without authority by a settler named Monkel, upon the [illegible] of one Dunnachie. Dunnachie's entry was cancelled and [illegible] was granted re-entry. Monkel denied the crop, but was willing to pay Dunnachie for the work. Monkel claimed the crop and paid [illegible] for it. Dunnachie left the area.

I submitted the facts of the complaint Monkel [illegible] for [illegible] determination on the 26th February, 191 , and my memo. of that date, together with a memo. prepared by Mr. Newell, dated the 24th of the same month, gives all the facts and the departmental practice in [illegible] case. See [illegible] filed No. 30,677, herewith.

In a letter dated the 16th May, 1916, the Agent at Carlstadt advised the Department that Mr. Justice Simmons, in the Supreme Court of Alberta, gave judgment in favour of Mr. Douglass, the plaintiff, in the suit of Douglass vs Monkel, awarding to Douglass 115 bushels of flax which was sown by Monkel but reaped and threshed by Douglass.

An official letter was then written to the Agent that in view of the judgment the Department need take no further action.

The only material difference that I can see between the case of Douglass vs Monkel and Newell vs Dunn is that in the former case Douglass was the applicant for cancellation and that Monkel had cut the crop after Douglass had abandoned entry, whereas in the latter case Newell was the complainant for cancellation and the crop had already been cut and stooked when we cancelled the entry.

It would appear that in the present case Newell should pay the value of the flax under the [illegible] set out in the Inspector's report of the 20th June, 191 . Lang's claim of $81 bushels seems rather large for 19 acres of flax.

The following is the main point to be decided. Once a definite decision has been arrived at in regard to the amount that Mr. Newell should be called upon to pay, then the question of how such amount should be divided would be considered.

Respectfully submitted,

executed a statutory declaration reading as follows:-

> "In the Spring of 1913 I sowed with oats 15 acres by drill measurement of the S.E.¼ of 33-33-10, W. 4th M. That after the said land was cancelled and the present entrant filed thereon I took away three wagon boxes full of sheaves (in the amount which I estimated to be the crop from one acre of the said land and which I value at $9.20. That I took this matter up with the Homestead Inspector and I put in a claim for 14 acres of crop, as I considered that by taking the above mentioned grain, I had taken one acre of crop. That the present entrant caused the said crop to be threshed on Section 28, Township 33, Range 10, W. 4th M. and herewith is the certificate of the thresher showing that 654 bushels of oats were threshed from the said crop."

The certificate referred to shows that 654 bushels of oats were threshed for Mr. Howell on Section 28-33-10, W. 4th M. (a portion of this section is Mr. Howell's homestead.)

Mr. Laing's statutory declaration states that this was the proceeds of the crop taken off the S.E.¼ of 33, but it is likely that Mr. Howell had a crop in on his own homestead.

There is nothing to show by whose authority Mr. Laing seeded this land, but, as it is stated that he is a son-in-law of the former entrant, Mr. Sandgard, it is just possible that there was an understanding between them. There is nothing definite on this matter on file.

The case is complicated by the fact that until Mr. Laing cannot produce evidence he seeded the land for the former entrant, I merely leaving the word to this effect.

In a case somewhat similar to this of Lundgren vs Gaukel, the latter argued that [illegible] other than the former entrant, and [illegible] of the latter.

In this case, i.e., Lundgren vs [illegible]

Apparently the applicant for cancellation did not apply for re-entry, as the file shows that on the 28th August, 191[illegible], the Land Notified him by letter, on 4th September, that the land would be available for him under pre-emption entry for 15 days from the date of the notice.

Mr. Newell applied for entry on the 1st September, 1915, and paid $60.00 as the value of the improvements upon the land.

On the 20th September, 1915, Thomas L. Laing came before the Department that Mr. Newell had prevented him from removing the crop from 14 acs. which he (Laing) had seeded.

In a report dated the 15th October, 1915, Homestead Inspector Pollock reported that the improvements upon the pre-emption at the time Mr. Newell obtained order consisted of the following:-

lumber house	$[illegible].00
well	35.00
14 acres oats, stooked ready for threshing	89.55
14 acres stubble	28.00
Total	$177.55

The item of $89.55 included in the above statement is made up as follows:-

Ploughing 14 acres	$28.00
Double disked	7.00
Twice harrowed	7.00
Seed oats	2[illegible].75
Drilling in crop	7.50
Cutting & stooking	14.00
Binding twine, 3[illegible] lbs	[illegible].30
Total	$89.55

This represents the cost to Mr. Laing of putting in the crop.

In a later report dated the 20th June, 1916, the same Inspector sets out that after an interview with Messrs. Laing and Newell he was of the opinion that the re-entrant should only be called upon to pay a balance of $77.55

This reduction was made owing to the fact that it appears that Mr. Laing had removed the crop from one acre and that if Mr. Newell paid for the crop he should not be called upon to pay for the stubble. See attachment 37/0645.

Apparently Mr. Newell agreed to the settlement (see Inspector's statement marked, attachment 37/0643.) Newell paid $10. on account in September last but nothing since.

On the 10th April, 1916, Mr. Laing

- executed -

MEMORANDUM:

S.½ of 33-33-10, W. 4th M.
Pre-emption of John T. Newell,
Entry granted 3rd Sept., 1915.

Formerly the Hd. of S.J.Sundgard,
Entry cancelled 30th June, 1915.

The question in this case is what amount should be collected as the value of the improvements made by Mr. Sundgard, and also whether the present entrant should be called upon to pay for a crop which was upon the land when he made entry. The method of disposing of any sum collected for such improvements has also to be decided.

Mr. Sundgard made entry on the 26th August, 1914, paying $40.00 for the improvements made by a former entrant, Mrs. Mary Pope.

On the 1st May, 1915, Albert L. King appeared before the Agent at Calgary and filed an application to cancel Mr. Sundgard's entry. Proceedings were instituted on this application on the 15th May, 1915.

I wish to emphasize the point that cancellation proceedings were instituted on behalf of Mr. King, as later on in the correspondence it is claimed by Mr. Newell, the present entrant, and stated by the Homestead Inspector, that Mr. Newell filed the application to cancel. This was not the case.

On the 18th June, 1915, Mr. Sundgard abandoned his entry unconditionally. He claimed that he had made the following improvements upon the land:-

Shack	$20.00
Well	10.00
18 acres breaking	10.00
Total	$40.00

Nothing was said about any of the land having been placed under crop.

The entry was cancelled on the 30th June, 1915.

Sir:-

I beg to acknowledge receipt of your letter of the 16th instant, and in reply to say that the land formerly held by your brother, Albert E. Smith, was the S.W. ¼ 33-33-10 W. 4th Mer.

You can write the Secretary, Department of the Interior, Ottawa, asking on behalf of your brother to be furnished with authority to re-file and setting forth that your brother is at present in France on the firing line, but as it is customary for a former entrant to make such an application over his own signature, I cannot advise you whether the Department will forward you the required authority or will require your brother to apply over his own signature.

Dear Bro.

Well here I am again but only a few lines as it is getting late. Just finished a letter to Mrs. D. P. Mc. so haven't much time. Every thing is O.K. here so far and like it find right in the big smoke now.

I wrote you two letters previous to this and told you all I dare, so it will be needless to say any more as everything is as usual.

What I was going to say was this. I was thinking this last few days that if I had a homestead I could be proving it up as well as fighting in France and so I was going to ask you to see if you could file on a ¼ by proxy for me as I still hold my right to homestead. If it is possible for you to do so and you happen to get sight of a good ½ Sec. for mixed farming in that North country or any other for I understand that the Dom. Gov. are going to give out ¼ Secs. to returned men and if I could homestead a ¼ & then get another ¼ alongside making half it would be worth while but we would have to devise some way of clinching the other ¼ so as to keep it exempt from homesteading. So if you will give me your advise

Dear Sir,-

I beg to enclose herewith a letter from my brother, Albert Ernest Smith, [illegible] in France on the firing line, also a letter from your agent at Calgary, these two letters will explain in brief what I would like you to do. I have a like matter concerning which I could file on for my brother, and would be glad if you would furnish me with authority to file for him.

Yours very truly,

[illegible]
Supt. Seed & Weed Branch.

you herewith.

If your brother secures a homestead by proxy it will be necessary for him to furnish the Department with a certificate from his Commanding Officer in corroboration of his enlistment for active military service. His entry will then be protected for the duration of his active service, but such time cannot be counted to his credit as performance of homestead residence duties.

It will not be necessary for him by reason of his enlistment to comply with the usual proxy conditions, that is to say; it will not be necessary for him to appear before the Agent of Dominion Lands for the District in which his homestead is situated within six months from date of entry for the purpose of satisfying him that he has already established himself in residence on his homestead or that he is on his way to the land and will be in residence before the end of the six months.

I am enclosing herewith for your information a "Handbook" containing a summary of the present regulations.

Sir,-

I beg to acknowledge the receipt of your letter of the 28th ultimo enclosing one from your brother Albert E. Smith, who is at the front on active military service and who wishes to secure another homestead in lieu of the South East quarter of Section 33, Township 33, Range 10, West of the 4th Meridian, his entry for which was cancelled on the 11th July, 1913, owing to his failure to comply with the settlement conditions, upon which he was granted the land.

2 Encls.

On looking up the records it is found that your brother is eligible to take up another free homestead provided he has not made any entry for any other Dominion Lands since his entry for the above land was cancelled and the presentation and surrender of this letter to any Agent of Dominion Lands will be his authority for accepting from you an application for entry by proxy on behalf of your brother for any vacant and available quarter section of Dominion Lands. Application for homestead entry by proxy cannot be made before a Sub-Agent, neither can a pre-emption entry be made by proxy.

It will also be necessary for you to present to the Agent your brother's letter of the 28th October last in which he asks you to secure a homestead on his behalf. The letter is returned herewith.

Dear Sir

I have written you on several occasions about my homestead entry of Section 30 Township 10 Range 5 West of the 2nd Meridian 1914 there was some Improvements worth $40. and I pay the amount before I got the right to file on it. The Improvements were not there and after I had paid for the Improvements I told me I would have to reside on it and cultivate it I done them I could not, I did put in the Improvements, and all the time me in some $ 5 I told me in Calgary now I wanted him to send me money, as I was in the [illegible] many times about it [illegible]

Yours truly

The question of this refund is fully set forth in your memorandum of the 16th of February, 1917, marked.

Mr. Lundgard paid $[illegible] for the improvements when making entry and the improvements on this land, as shown by the Homestead Inspector's report, are valued at $[illegible]. And I presume Mr. Lundgard may be refunded this amount.

There is nothing to show by what authority Mr. Laing seeded this land, but as it is stated that he is a son-in-law of the former entrant, Mr. Lundgard, it is just possible there is an understanding between them.

The crop is valued at $[illegible] which would leave the sum of $[illegible].0 still available.

You will observe Mr. Homestead Inspector Riddock states that the sum of $35. should be refunded to Mrs. Mary Hope, who paid for digging the well.

I would point out that when making purchased homestead entry on the 6th of September, 1913, Mrs. Hope paid $[illegible].00 for improvements which were later stated to consist of frame shack value $25.00 and 10 acres of breaking $15.00. After abandoning her entry she was refunded the first instalment of the purchase price of $[illegible].25 and a later refund of $[illegible].75. In her declaration of abandonment dated the 6th of June, 1914, no mention is made of a well being on the land.

Mr. Lundgard abandoned on the 18th of June, 1915. He stated in addition to other improvements there was a well valued at $[illegible].00.

As no mention has been made by Mrs. Hope of there being a well on the land I presume a refund cheque may be granted to Mr. Lundgard for $[illegible].00, also a cheque to Mr. Laing for $[illegible]9.55, providing satisfactory evidence is furnished that no taxes are owing and no seed grain relief indebtedness, and the matter of the balance of the improvement money may be dealt with should Mrs. Hope make application for refund, which is not probable.

Sir:-

I beg to acknowledge receipt of your letter of the 6th instant and in reply to say that according to our records the entrant for the S.W. ¼ 33-43-10 W. 4th Mer. has completed payment for the improvements on this land at date of entry. By means of a copy of this letter the Department is being advised of your desire to secure payment for the crop which you put in on this land, and the Department will no doubt advise you in regard thereto at an early date.

Your obedient servant,

Agent.

T. H. Laing, Esq.,

Penner,

Alberta.

The present entrant, Mr. Newell, protested against this for the crop, claiming that Mr. Laing who plowed the land in 1915 apparently without any authority had hauled the crop off the land.

The Inspector was, therefore, sent to again report. I quote herewith his report of the 5th of January, 1916:

"Referring to your letter of Dec. 23rd "1915, I beg to say that I had occasion to be in "the vicinity of this land this month and went "into the protest of entrant, he not being here. "I did not see him to talk the matter over with "him, but from what I could learn entrant is "entitled to pay for all the improvements I "placed on his land. As for the breaking there "is so nearly 14 acres and could not call it "less, and the stubble is worth $5. per acre "at the very least, and as for plowing it "again it certainly would have to be turned "over and harrowed before cropped, but I have "seen lots of stubble cropped without being "turned over. He claims there was no crop on "it when he cancelled it. I agree with him as "he cancelled it in May, 1915, when the breaking "was all grown up with weeds, it would cost him "at the time he cancelled it about $5.00 per "acre to put it in shape for crop. As for "paying the taxes on said land, I was informed "that he did not have to pay any taxes, it does "not look reasonable to me that he would have "to pay back taxes, as he only filed Sept. 1915. "I don't see anything else for it but that he "be called to pay the improvements in full, "otherwise be cancelled forthwith, and the land "be posted according to the regulations."

"As for Mr. Laing hauling off grain "it was proved to my satisfaction, he did not, "unless he hauled it off in the night. He "started to haul it off, but Mr. Newell met "him with a pitchfork and ended the matter."

A further protest being made by Mr. Newell Mr. Woodland again reported that he had succeeded in getting both parties together for a settlement in which it was agreed that Mr. Newell is to pay the former valuation placed on the improvements less $5.00 which was thereon for stubble and which it was called should not be paid by Mr. Newell, as Mr. Newell accepted the crop left one year, while Mr. Laing (as in his declaration of the 14th of April, 1915. [illegible]) would keep.

The act of 1916 [illegible] was then put to Mr. Newell being the valuation placed on [illegible] improvements by the Inspector, and Mr. Chalmers [illegible] application for a refund of $25.00, but as he made entry the 14th of August, 1914, and cancelled on the 14th of June, 1915, he will be liable for taxes for the latter year and before taking refund it will be necessary to obtain a certificate showing the taxes have been paid.

What action is now to be taken with reference to refunding to Mr. Laing the value of the crop .

I beg to acknowledge the receipt of your letter of the 12th ultimo, with reference to your application for a refund of the value of the improvements on the above described land when you abandoned your entry on the 18th of June 1915, and in reply to inform you that before granting a refund, you will require to send here a certificate from the Secretary Treasurer of your Municipality, showing that the municipal and school taxes have been paid for the year 1915.

From the evidence before the Department, the breaking on this quarter-section at the time you abandoned was seeded to crop by Mr. T. H. Laing, who is asking to be reimbursed for the work of putting in the crop. Provided there was an understanding between yourself and Mr. Laing that he should seed the land, you should furnish the Department with an order to pay to Mr. Laing the sum of $69.85, the value placed thereon by the Inspector, the full value of the improvements having been collected from the present entrant.

With reference to the well reported to be worth $10.00 in your declaration of abandonment, you might state if this was on the land when you obtained entry, and if you made any improvements to the same during the time you held the land.

When your reply comes to hand, further action will be taken in the matter.

Homestead - John Thomas Newell.

I beg to acknowledge the receipt of your letter of the 24th ultimo, with respect to the refund by the Department of the sum collected as the value of the improvements made by you on the above described land, and in this connection enclose herewith, a copy of a letter addressed to you on the 25th February, 1919, setting out the conditions on which a refund of the money in question would be made.

Encl.

I may say that as you failed to comply with the conditions set out in the letter in question, no further action has been taken in connection with the money collected for the improvements referred to.

If you will now forward a certificate from the Secretary of the Municipality in which the above land is located, setting out that you are not indebted to the Municipality for taxes that accrued while you held entry for the quarter-section above mentioned, steps will be taken to meet your wishes in connection with the refund.

you own this land for yr. 1915 but your

Mr. Rundgard has now forwarded a Certificate from the Secretary-Treasurer of the Municipality, reading as follows:-

"In reply to yours of recent date re-
"garding taxes S.W. 33-31-10, I find on looking
"up the records you never paid the taxes for yr.
"1915, but of course when land was cancelled the
"taxes in regard to same were automatically re-
"leased, therefore you are in no way indebted to
"the municipality for taxes.

"Trusting this is the information you
"require.

"Yours very truly,

(Sgd.) A. Newton, Sec-Treas."

If this Certificate is accepted as satisfactory, it would seem that refunds might now be made to both Mr. Lang and Mr. Rundgard on the basis of the instructions given in connection with the memo dated the 17th February, 1921.

I am submitting the question as I am not sure whether the Certificate in question should be accepted as satisfactory, as our records show that Mr. Rundgard made entry for this land on the 20th August, 1914, and did not abandon same until the 16th June, 1919, therefore, it would appear that he is liable for the taxes that accrued during the year 1915.

We received instructions, however, some time ago that a Certificate furnished by the Secretary-Treasurer of a Municipality was not to be questioned, and if this rule is to prevail, then I assume that the refunds might now be made.

Cancelled Homestead - Denise Jessie Wright.

The sum of $152.4[illegible] has been collected from the present entrant, and the question as to how this sum should be refunded was submitted on the 17th February, 1919. (Memo varied.)

At the time the reference was made there were three people's claims to be considered, i.e., those of Mrs. Kaye, Mr. Pundsard and Mr. Laing.

It was decided that Mrs. Wise was not entitled to a refund of any sum.

You suggested that Mr. Pundsard should be refunded the sum of $60.00, and that Mr. Laing should receive a refund of $89.55.

The Commissioner gave instructions that a Certificate of Taxes due by Mr. Pundsard should be obtained, also an order from the latter in favour of Mr. Laing.

Mr. Pundsard was fully advised in regard to the foregoing on the 27th February, 1919.

Nothing further was heard from Mr. Pundsard in connection with this matter until the 24th November, 1919, when he forwarded an order authorizing the Department to pay Mr. Laing. But no explanation was given to this omission, he overlooked it in view of all the circumstances.

Mr. Laing, however, has written the Department several times[illegible] for payment for work done on this land.

On the 5th December, 1919, Mr. Pundsard was [illegible] that [illegible], if any, [illegible] paid.

POSTING OF LAND, OTHER THAN SOLDIER SETTLEMENT LAND.

31 Aug. 1924.

Notice is hereby given that after the expiration of [illegible] days from the date hereof, that is, on and after the 23rd August, 1924, the [illegible] of Section 10 Township [illegible] Range [illegible] West of the 4th Meridian will be available for entry, providing the land is at the date suitable for farming and is unoccupied, as follows:—

(1) On the day above mentioned, that is on the 6th August, 1924 morning of the [illegible]
(Entry in person or by proxy)

By a settler as defined by the Soldier Settlement Act, eligible to make entry, who holds an adjoining quarter section under homestead or Soldier Grant Entry, or who obtained Homestead patent for such adjoining quarter section and is still the owner thereof, or was a squatter before survey on such quarter section.

(2) On the following day, that is on the morning of the [illegible]
(Entry in person and at office of Agent only)

For ordinary homestead entry by returned soldiers who have served Overseas and who produce evidence of honourable discharge.

For soldier grant entry by any "settler" as defined by the Soldier Settlement Act upon production of Attestation Certificate, or a telegram or special letter from the Soldier Settlement Board establishing eligibility. (see other side)

(3) After one day has been allowed for priority under paragraph one and the succeeding day under paragraph two, then the next day, that is, on the morning of the 6th Aug. 1924
(Entry in person or by proxy)

By general public including civilians and returned soldiers.

Any person who is desirous of making entry must visit the land personally before making his application, and satisfy himself that there is no one in residence, as he will require to swear when making application for entry that the land is unoccupied. The intending applicant should, at the same time, carefully examine and estimate the value of the improvements, if any.

The application for entry (unless by proxy) may be made either at this office or at the office of the Sub-Agent of Dominion Lands in whose district the land is situated.

Application for entry by proxy is permitted in the case of a person making application on behalf of father, mother, brother, sister, son, daughter or husband, when authorized to do so in the form prescribed. In such a case the proxy will require to appear personally at the office of the local Agent or Sub-Agent.

No fee is payable in connection with a soldier grant.

The entry fee if taken as a homestead will be $10.00. According to evidence on file in this office there are improvements upon the land stated to be worth $40.

PAYMENT FOR IMPROVEMENTS

Before a person is granted entry for a homestead or a Soldier Grant he *shall declare* what improvements, if any, there are upon the land for which he applies, and pay to the Agent or Sub-Agent the *said amount as his valuation* of such improvements. Should he fail to make such declaration on his entry he will be liable to cancellation.

In the event of any uncertainty as to the correctness of the entrant's valuation, or if the value of the improvements is thought to exceed $2500.00, the Agent shall cause such improvements to be examined and valued by a Homestead Inspector. If a surplus has been paid, the excess amount may be refunded. If insufficient has been paid the entrant must at once pay the difference, otherwise his entry may be cancelled.

PAYMENT OF INDEBTEDNESS CHARGED AGAINST THE LAND.

The following indebtedness is charged against the land: $165.00. In the event of the entrant not having sufficient to make up the homestead fee, the amount for which he is indebted to the Government must be paid.

Dear Sir;

Re: S.W. 33-33-10-W4

This Department has an old account against the above noted land for advances of seed grain to John T. Newell in 1920. We are anxious to bring our records up-to-date and if possible to settle this long outstanding account. It would assist us greatly if you would be kind enough to complete the attached form.

An addressed envelope which does not require a stamp is enclosed for this purpose.

Encl.

Yours very truly,

C.K. LeCapelain,
Chief, Lands Division.

TO:

J.H. Todrick, Esq.,
Supervisor, Special Areas,

Edmonton, Alta.

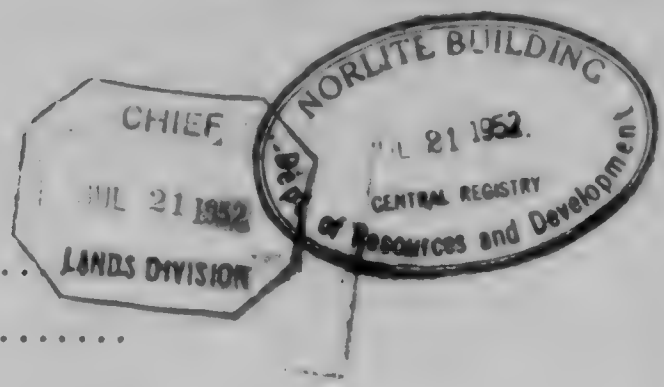

This land is unalienated crown land and is occupied at present under a long term grazing lease. This land is located in that part of the Province designated Special Areas and as such there is little likelihood of same ever being disposed of by sale or utilized for any purpose other than grazing.

Re: Account of John T. Newell
S.W. 33-33-10 W. 4th Mer.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1920 seed grain amounting to $165.00 was advanced to John T. Newell on the security of the above mentioned land. No payment has ever been been received and the present standing of this account is:-

Principal	Interest	Total
$165.00	$368.77	$533.77

The S.W. 33-33-10 W. 4th Mer. was formerly the pre-emption of the debtor whose entry was cancelled on the 18th of July, 1924, and the land is still unalienated Crown land held in the right of the Province.

In reply to our questionaire of the 2nd of July, 1952, J.H. Todrick, Supervisor, Special Areas, Department of Municipal Affairs, Province of Alberta, wrote as follows:-

"This land is unalienated crown land and is occupied at present under a long term grazing lease. This land is located in that part of the Province designated Special Areas and as such there is little likelihhod of same ever being disposed of by sale or utilized for any purpose other than grazing".

The information obtained indicates that the land is unsuitable for farming purposes and no longer offers any security of value for our advances. Under the circumstances it is recommended that the indebtednessbe cancelled.

C.S. Gilchrist.

The undersigned member of the Seed Grain Advisory Board, having taken into consideration the attached report, approves the settlement outlined therein and does hereby recommend:-

1. That the indebtedness, which is more particularly described in the attached report, be cancelled without the requirement of any payment.

Sir,

I beg to acknowledge the receipt of your letter of the 19th instant, and in reply to say that your application for an extension of time within which to go into residence upon your homestead and pre-emption, the S.½ of 14--3--4--4th, cannot be entertained. Protection is only sometimes granted to the holder of a pre-emption as well as a homestead in the event of serious illness, accident or inability to the entry or to one of the members of his family.

Perhaps your better plan would be to relinquish your entries and secure permission to take up other land later on, when in a position to do the requisite duties. Two blank forms, which may be used for the purpose are enclosed herewith.

In the case of a loan being granted in connection with the pre-emption, the purchase price would have to be deducted from the loan.

If you desire to secure this land as a soldier grant and will execute the enclosed Declaration of Abandonment and forward same to the Agent of Dominion Lands at Calgary, on furnishing the required Attestation you could secure re-entry for the land as a soldier grant.

In a case of this kind any residence performed on the appurtenant homestead in connection with the pre-emption after the duties for the homestead were completed may be counted in connection with the soldier grant entry but there are no provisions in the regulations whereby you could be allowed to count to your credit in connection with your homestead any cultivation duties performed on the soldier grant.

In reply I may state that there would appear to be no reason why you should not abandon the pre-emption and secure same as a soldier grant entry, but I am to point out that if you retain your pre-emption you will have your soldier right of entry for use elsewhere if you so desire later and if you abandon the pre-emption, you could not thereafter exercise the pre-emption or purchased homestead right as they are now terminated.

Apart from the payment of the purchase price or interest, an application for a loan in respect to the land would have the same standing whether it is held as a pre-emption or soldier grant.

The Soldier Settlement Board duly advise, the Department that Mr. F. A. Aylworth had applied for a loan to be made a charge against his homestead and soldier grant, the above mentioned lands.

An order hereunder has been signed by the Minister vesting the right, title and interest of this settler, also the title or interest of His Majesty to or in these lands in the name of the Soldier Settlement Board of Canada. It is set forth in the vesting order that Mr. Aylworth executes a "Charge on Dominion Lands" for the sum of $[illegible].00, and has defaulted with respect to the terms and conditions of the agreement executed to the Board on the 14th July, 1919, in that he has assigned the land for the working, improvement and occupation on which advances were made to him and has otherwise failed to comply with the Loan Regulations of the Board.

There are no cancellation proceedings outstanding against these entries at the present time. The entrant, however, executed a statutory declaration on the 18th September, 1924, showing certain residence duties and improvements having been performed on the homestead, the North west quarter of Section 13.

upon which a charge of $1935.00 has been created under the Act by virtue of the instrument named "Charge on Dominion Lands", executed by him on the 24th July, 1919, being in default with respect to the terms and conditions of the Agreement executed to the Board on the July 24th, 1919, in that he abandoned the land for the working, improvement and occupation on which advances were made to him by the Board, and otherwise failed to comply with the Loan Regulations of the Board, the undersigned upon a report made by the Board found and determined that the settler has made default as hereinbefore recited and that the right, title and interest of the said settler to or in the said charged land should therefore be forfeited.

MEMORANDUM.

W.S. Gliddon, Esq.,
Assistant Controller.

Herewith are the files respecting the S.W.¼ of Section 24 and the N.W.¼ of Section 13, Township 30, Range 4, West 4th Meridian. The entrants in these cases obtained entry for these lands respectively on the 30th of July and 31st of July, 1912.

On the 11th of December, 1912, The Canadian Northern Western Railway Company filed an application for reservation for right of way of the railway across these lands and as the entries in question were in good standing the entrants had priority of right as against the Railway Company.

In the year 1919, these settlers having forfeited their right to the land on account of non-fulfillment of conditions, the entries were cancelled, and on the 18th of March, 1921, the right, title and interest of the settler was vested in the Soldier Settlement Board. It is now desired to issue patent in favour of the Board for these two quarter sections. The question arises as to whether or not the reservation for the right of way of the Railway should be inserted in these patents in order that the Company might obtain a free grant of the right of way or whether the patents should be issued without reservation for the right of way and leave the Company to deal with the Board. It appears to me that the Board has acquired all the rights of the settlers and as they had priority of right as against the Company I think the same should now apply in favour of the Board.

Memorandum.-

Mr. Gibson.

7th ultimo, you will observe from the memorandum hereunder [illegible] that the Department [illegible] holds that a Vesting Order is in itself a patent and that any subsequent actions of the Department are merely for convenience of record.

In connection with the North East ¼ of section 13, it would therefore seem that the deed should convey the entire quarter section. The entry of Mr. Byworth for the South West ¼ of section 24, however, appears to have been cancelled in August, 1918, and he was allowed to take the land as a soldier grant. It should have been observed at that time that the Railway Company was entitled to reservation for right of way and the patent to this quarter section should therefore contain the usual reservation.

Deputy Minister.
